

DET/PHL JAVA

Module 1 - Day 01
Introduction to Tools

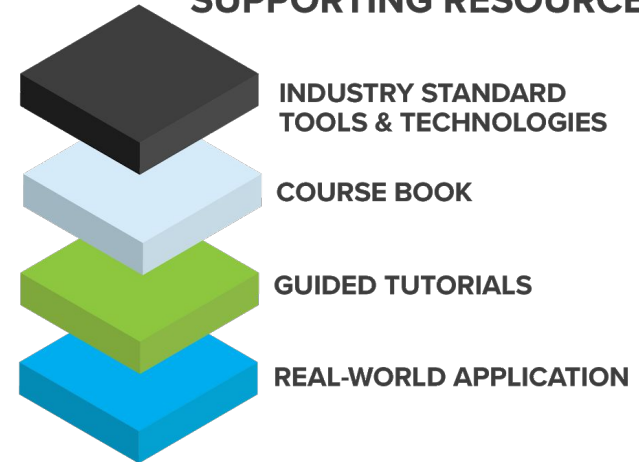

WHAT WE TEACH

DAILY CADENCE

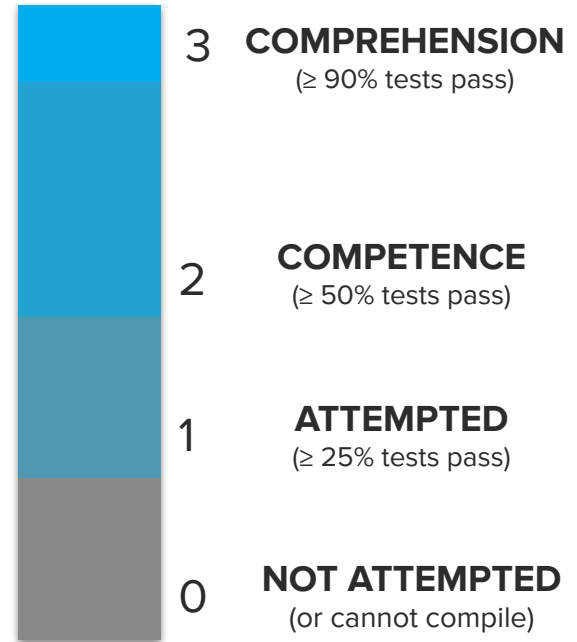

SUPPORTING RESOURCES

MASTERY AND UNDERSTANDING

- Our exercises focus on **mastery of key concepts**.
- Feedback is provided so you can **know where you need to improve**.
- We expect your average to remain **at or above 2.0**.
- **Any work submitted must be your own**. We may ask you to explain your code to us!
- **Please seek out an instructor or another classmate if you need help!**

DUE DATES

Exercises are distributed daily via Git. You submit them by *pushing your code* back to BitBucket.

EXERCISES GIVEN...	ARE DUE...
Monday	Wednesday 8 AM
Tuesday	Thursday 8 AM
Wednesday	Friday 8 AM
Thursday	Monday 8 AM
Friday	Tuesday 8 AM

Exercises not turned in by the deadline receive a “0”. Once the exercise is late, the highest score you can receive is a “2”.

OTHER THINGS TO EXPECT WEEK 1

- While we will review many concepts learned during the prework, **we cover a lot of ground.**
- As stated before, **this program can be challenging.** Each day can bring with it a good amount of work. Please make sure that you remain caught up and put in the time with each day.
- **We will conduct “one on one” meetings with each of you** to get to know you and better understand any challenges that may make it difficult for you to be successful while you are here.

| Today – Monday Day 01

- There is no quiz
- There is no daily pulse
- There is no starting code
 - Typically we will open bash window
 - git pull upstream master
 - Not today
- Topic – Introduction to Tools
 - What tools do we use at Tech Elevator
 - Learn about the file system in Windows
 - How to move around in command line
 - How to push and pull from the Bit Bucket repositories

Tools used at Tech Elevator

- Sococo
 - Considered on campus when you are in Sococo
 - Should be there 9 - 4:30 at the very least
 - Go to Java classroom for the Zoom link for class every day
 - Create a Zoom or Google Hangout to do homework with classmates
 - Use chat feature in areas
 - Set your status so others know
 - If instructors are in Sococo and “available,,” we are there to help
 - If instructors are not in Sococo or listed as “busy,” ask a classmate

Tools used at Tech Elevator

- Ryver
 - Provides history of messages (as opposed to chat in Sococo)
 - All communication from Pathway will be here
 - Download the app on your phone
 - Instructors not in Sococo, can send a message in Ryver
 - I try to respond, even if it is that I cannot help at that time
 - Channels
 - DET/PHL Cohort Channel
 - Goes to everyone in cohort
 - DET/PHL Career Prep
 - Pathway
 - DET/PHL #culturekudos
 - ElevaTE each other
 - Individual channel
 - Private conversation between each other
 - Topics
 - Holds files and links

Tools used at Tech Elevator

- Student Dashboard
 - Where to see your grades
 - <https://dashboard.techelevator.com>
 - password: ChangeMeNow123
 - Very difficult to recover, so don't forget it!
- Student Book
 - <https://book.techelevator.com>
- Eclipse
 - IDE (Integrated Development Environment) for Java code
- Visual Studio Code
 - Text Editor
